A mentoring program for young adults to gain individual support for engagement in accredited training and educational programs of your choice.

Decision making benefits you!

What is available for you in life?

How do you get to where you want to be ?

AST mentors have the experience and knowledge to help you answer these questions.

Youth focussed, we offer backup that will help balance your life.

Supported in an informal environment identify your abilities and Reconnect to your Educational opportunities. We will work with you to

TAKE THE STEP

RECONNECT

TO YOUR FUTURE

One on one

Small informal groups

We respect what works best for you!
